

MAKI LIVE

MAKI Live: pro-quality live streaming, anywhere.

The ultimate portable live production tool, built from BirdDog's broadcast expertise. MAKI Live delivers professional 4K video with optical zoom, AI-powered control, and wireless freedom. No crew, no cables, just limitless creativity.

Portable. Wireless. Powerful.

Built for creators. Powered by broadcast technology.

A Powerhouse in the palm of your hand.

MAKI Live is a compact, professional streaming camera that brings BirdDog's high-end video expertise to creators, educators, and businesses.

Built-in Wi-Fi, 6-hour battery, and lightweight design make it ideal for on-the-go creators. No wires, no hassle, just press and stream.

MAKI Studio: easy expand your production.

Unlock multi-camera workflows and top-level control.

MAKI Studio turns multiple MAKI Live cameras into a fully integrated live production setup, controlled via an iPad app or the MAKI Control Surface.

MAKI Live for Businesses & Events.

Bringing Hybrid Meetings, Webinars, and Live Events to Life. Anywhere. Whether you're hosting a corporate event, leading a webinar, or running a hybrid meeting, MAKI Live ensures you look and sound professional, without the need for complicated setups.

Its wireless freedom, built-in battery, and pro-grade optics make it perfect for both formal boardrooms and casual, off-site locations.

MAKI Live for Content Creators.

Level up your live streams with professional video quality.

Key benefits:

4K & Optical Zoom – Make your content stand out with pro-quality video.

AI Gesture Zoom – Control shots with simple hand gestures.

Wireless & Battery – Powered Freedom – Stream from anywhere, without cables.

MAKI Live for Educators.

Make every lesson engaging & professional.

Key benefits:

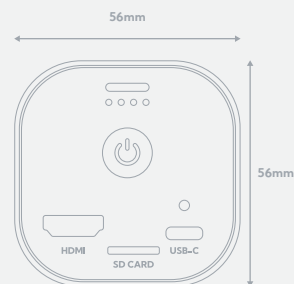

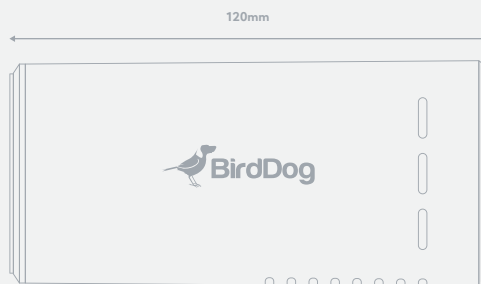

Professional-Quality Video – Ensure students and viewers see every detail.

Plug & Play 4K Webcam Mode – Instantly enhance video calls & virtual lessons.

Wireless Setup – easy installation, perfect for any classroom or home office.

Let's roll with MAKI!

MAKI Live is more than a camera, it's a revolution in live production. Whether you're streaming, teaching, or presenting, it's time to level up with professional-quality video in a portable, wireless package. Ready to create without limits?

Feature**Maki Live****IMAGING**

Image Sensor	Sony 1/2.8" CMOS – UHD
Lens	f=3.3~9.9mm
Zoom	Optical 3x, Digital 10x
Video Format	2160p @ 30/29.97/25fps • 1080p @ 30/29.97/25fps • 720p @ 30fps
Horizontal angle of view	81.4° (W) ~ 31.3° (T)
Vertical angle of view	50.5° (W) ~ 18.2° (T)
Diagonal angle of view	92° (W) ~ 35.8° (T)
Aperture	F2 (W)~F3.7 (T)
Focus	TOF, Auto, Manual
Exposure	Auto, Shutter Priority, Manual, Bright
Backlight Compensation	Yes
Digital Noise Reduction	2D and 3D Noise Reduction
SNR	>50dB
Effective Pixels	8.29 Megapixels

MECHANICAL

Preset Number	255 presets
---------------	-------------

I/O INTERFACE

Video Output Interfaces	HDMI, USB-C UVC 1.0, Network (inbuilt WiFi 6, Optional PoE 802.3af via dongle – sold separately)
Video Compression Format	H.264 up to 62mbps
Network Interfaces	Wi-Fi IEEE 802.11ax
Encoder Network Protocols	NDI HX2, NDI HX3, RTSP, RTMP, SRT
Control Interfaces	Network, USB TYPE-C(UVC1.0)
Control Protocols	VISCA IP, NDI, UVC
Memory Card	TF Card (Micro SD)

GENERAL PARAMETER

Input Voltage	USB Type-C 5V, POE IEEE 802.3af, Optional via dongle – sold separately)
Input Current	2.4A (Min) 5V
Power Consumption	5W (mean power consumption)
Working Temperature	0°C ~ +40°C
Dimension (W*H*D)	120mm x 56mm x 56mm (SDI connector excluded)
Weight	335g
